What’s in store

We’ll have a few stations in the Experience where you can engage in different ways. Visit all of them before you leave! Here’s where to hit:

Information Booth

If you’re looking to find out more about the Xbox Ambassadors program or just want to meet members of the team, head over to our information booth. We’ll be there to answer questions and talk about the program. The first 60 Ambassadors to come to this booth and show us they’re an Ambassador will get a limited-edition cape! But don’t worry, we’ll also have other swag there as well.

Gaming for Everyone

Our core mission is to make gaming fun for everyone, and with that we want to hear your ideas and stories of how you can make Xbox an inviting place to play. Come share your thoughts with others and see their ideas at the G4E booth.

Spin to Win

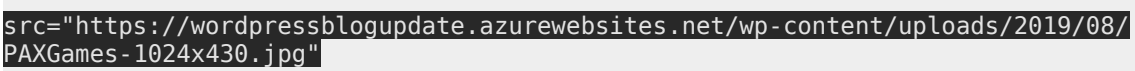
We’re bringing back the prize wheel at our Spin to Win station. Take a chance to see what you’ll land on, every spin will get you an ID@Xbox game code. There will be a line, so head on over when you can!

The Lounge

That’s right, we’re bringing the Lounge into the Experience. Come hang and meet some of your fellow Ambassadors for a bit. There will be space to kick back and chat with each other. Don’t forget to snap a photo of yourself or with friends and share on social with the #AmbsPAXWest. We’ll have some props ready if you want to add more fun to the photo!

Game Station

It wouldn’t be an Xbox event without games! Visit our game station and take turns playing some of our favorite ID@Xbox games. You can also just stop by to watch others play if you’re looking for some entertainment.



Video Booth

Lights. Camera. Action! We want to hear what you have to say about some of the facets in the gaming community. Contribute to the conversation and you may be featured in a future Xbox Ambassadors video.
